## **Wapato Branch to Temporarily Close for Facelift**

Yakima, WA- On September 29, 2014 the Wapato branch of Yakima Valley Libraries will be temporarily closing for a building facelift. The branch will be receiving a fresh coat of paint and new carpet compliments of the City of Wapato, who owns the building. The branch is scheduled to re-open on October 16<sup>th</sup>.

Patrons are encouraged to use a neighboring branch during the closure; a list of Yakima Valley Libraries branches is available at [www.yvl.org](http://www.yvl.org). The closest branches are Toppenish, Zillah, Moxee and as always our website and eResources.

Yakima Valley Libraries is always looking for ways to make our branches into more comfortable spaces for our patrons. Although we wish we could do this for every branch we own three of our seventeen facilities and often have to work with partners, cities and other entities if it is fiscally possible.
