Library Now App Available!

Yakima, WA- Are you looking for ways to access library information from your mobile device or tablet? Look no further, Yakima Valley Libraries has partnered with Boopsie to power the Library Now app. The app is free to all users and from the app you can search our catalog, check out and download eBooks and Audiobooks, scan books to search, find YVL locations and hours, scan books and QR codes and reserve your books.

Our Library Now app is another innovative way that Yakima Valley Libraries is reaching our patrons. Yakima Valley Libraries is a cutting edge, progressive library system and the Library Now app powered by Boopsie is indicative of our efforts.

To use the Library Now app, download the free app from your mobile device and select “Yakima Valley Libraries” as your primary library system. You do not need a Yakima Valley Libraries card to search our catalog or online resources; however you will need an YV library card to check out materials. A Yakima Valley Libraries library card can be obtained at any one of our 17 branches at no cost to you.

“We continue to strive for new and innovative ways to meet our patrons’ needs while maintaining our focus of connecting people and ideas.” Kim Hixson, Director.
